A Christian Community Must Reflect the Nature of God

Praying in small groups

8. Form prayer partnerships

To foster prayer, some small groups form 'prayer partnerships', where two group members meet regularly to pray outside of the small group meeting. This not only deepens friendships, but get the group members praying more, for each other and for broader concerns. There are many ways to set up prayer partnerships.

- * Meet weekly or fortnightly outside the group to pray
- * Pray specifically for each other during the week, without meeting together
- * Break into prayer partners to share and pray during group time (this is especially useful early in the life of the group, when people are still getting to know each other).
- * Change prayer partners every two to three months.

PRAYER IS ALWAYS A BATTLE, because the Christian life is a battle. Prayer doesn't always come easily or naturally. But in His kindness, God has given us each other to encourage each other to keep trusting him - and that includes encouraging each other to keep praying. Let's make good use of our small groups to urge, encourage, help and lead one another to continue steadfastly in prayer.

PRAY

Give thanks for the enormous privilege of prayer. Thank God for the access we have to his throne through the mercy of the Lord Jesus Christ.

Confess the various ways you fail in prayer, and put your trust in Jesus for forgiveness. Ask God to so transform your heart and mind that you will pray to him with renewed strength and purpose.

Use the pattern of the Lord's Prayer to pray.

Hospital Incursion (PMH) in Pre-Primary

In Pre-Primary last Thursday (26th June) we had Nurse Claire come and visit from Princess Margaret Hospital. Nurse Claire spoke about getting sick and what it might be like to stay in hospital. She had some fun games to play and a lot of hospital equipment that we were able to try out. The children could also create their own hospital identification bracelet.
