Thursday 8th of March, 2018

Dear Parents/Guardians,

As you have probably heard by now, next term Emmanuel will be hosting some exchange students from our sister school in West Timor. The name of our sister school is **Tunas Bangsa Christian Community School** and it is located in Kupang. It is the first time that we have been blessed with such a rich and meaningful experience for our community, and for this we thank our Lord. There will be a total of 16 students and at least 4 staff members who will travel to Perth for a 2 week visit.

We are looking for families in our school community who are interested in **taking care of a student** during the duration of their stay in Perth. This is a great opportunity for your family to experience another culture, make a life-long connection with a young person and most importantly to influence their life by sharing God's love with them in a very practical way. We understand that being a host family is a very big responsibility and therefore we would ask you to pray about this and prayerfully consider the requirements listed below, before applying.

- The student will live in your home from the **28th of April to the 12th of May 2018** (14 days).
- The students will have their own health insurance cover in case of any sickness or injury during their stay here in Perth.
- The school will assist with \$200 cash per student to cover some of the cost.

We thank you for your heart in considering this opportunity, and we trust and pray that God will grant you the wisdom to make the best decision. If you feel that this is not something that your family is prepared to do, then please know there are many other ways for you to connect with our exchange students while they are here in Perth. One thing we would ask of you, is to please be praying for our sister school and for the students and teachers who will be travelling to Perth.

If you would like to volunteer to be a host family, you will need to **fill out the form** on the next page and hand it in to the **Admin Office at the Salcott campus by the end of this term**. Once you have done so, we will be in contact with you to give you the finer details, or to let you know that we received an overwhelming amount of support and that all students have already been allocated a home. If this is the case, then please know that we are praying for more opportunities to host some exchange students in the near future.

In His name,

Miss Nataly Vallejos

Senior Staff - Primary
