ABOUT EMMANUEL CHRISTIAN COMMUNITY SCHOOL

Welcome to Emmanuel Christian Community School. At our School we believe that every child is precious and unique with individual gifts and talents from God and born with a special purpose in life.

We are part of the ministry of the Girrawheen Baptist Church who, over 40 years ago, had the vision to step out in faith and establish a distinctly Christian school.

Our school's mission is to ***"Provide affordable, Christ-centred education that equips the next generation to know God and serve Him in the community."*** We come to know God through faith in Jesus Christ which is why we centre all that we do around Him. Our school vision is that the lives of students will be ***changed through the Christ-centred education*** that we provide. The Christian values we promote are shaped and directed by the Bible, which is God's perfect and inerrant Word, containing all the truth that we need to be successful in this life. These values include:

- Community
- Compassion
- Excellence
- Integrity
- Prayer
- Service

Emmanuel Christian Community School is a place of quality teaching and learning excellence, which honours Christ and prepares students for life. Together with home, church and community, we work hard to train the whole person through instruction, example and experience, all to His glory!

"So whether you eat or drink, or whatever you do, do it all for the glory of God." - 1 Corinthians 10:31

A handwritten signature in black ink that reads "S Bevan".

Principal

Early Childhood

This is a precious time for parents and guardians when we nurture our little ones in a play-based learning environment and support them to become familiar with a structured learning environment. Our Kindergarten is split into two groups who attend a full day either Monday, Tuesday and alternate Wednesday's or Thursday, Friday and the alternate Wednesday's.

Kindergarten and full time Pre-Primary students share a nature-based play area.

Years one and two are transitioning years where we integrate students with our Primary Campus and provide further structure and routine while still incorporating play-based learning.

“

Every child is precious and unique with individual gifts and talents from God and born with a special purpose in life.

”

Primary Campus

Years 1 – 4 have access to Education Assistants. The campus includes an undercover outdoor assembly area, nature playground, vegetable garden, library and a four-day canteen providing nutritious recess and lunch options.

Each classroom is architecturally designed to feel spacious, allow for natural light and for indoor/outdoor learning with bifold doors leading to the open areas.

Students assemble daily at 8.30am to begin the day with Bible reading and prayer. Whole School Prayer Days bring students K – 12 together.

Specialist teachers provide language, music, sport and science lessons.

“

The aim of our school, together with home, church and community, is to train the whole person through instruction, example and experience.

”

Early Secondary

“

Our School is a place of quality teaching and learning excellence, which honours Christ and prepares students for life.

”

Our Secondary Campus includes a brand new, two storey west wing with an innovative design for learning opportunities. This campus includes separate learning areas for home economics and woodwork. Our Secondary campus shares space with the Girrawheen Baptist Church – the school's founding church.

Secondary Years 7 – 10 students are invited to participate in our Soccer Academy which is aimed at ages 9 to 17 years. This academy focusses on skill development, game strategies and incorporating a Christian philosophy on the pitch.

ECCS offers a Cadet Unit for Emergency Services. Students in Year 7 and 8 may apply to join.

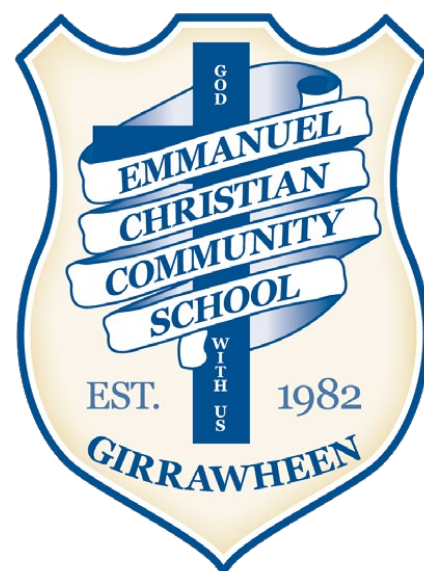

Senior Secondary

We aim to prepare all our Senior Secondary students for life outside of school. VET and ATAR options are available, depending on the chosen pathway. For students choosing university as their tertiary option, we offer a UniPrep course into Edith Cowan University. We encourage a Christian worldview and culture and emphasise personal responsibility to our Senior Secondary students as they prepare for the world outside of school.

“

Our mission is to provide affordable, Christ-centred education that equips the next generation to know God and serve Him in the community.

”

We welcome all enquiries
